

## A few things

### New Church Photo Directory is coming soon!

Starting today we are taking photos for the new church directory. Please don't be camera shy, it helps us get to know each other! There will be opportunities in the next two weeks for those who aren't here today. So grab your family and meet Jess Dugan and Sonya in the hall to get a quick photo and update your details.

### Working Bee

This coming Saturday 26<sup>th</sup> August from 8am-12pm is when we need your helping hands. There are all sorts of jobs needing to be done around the church from cleaning gutters, installing locks, cleaning floors to weeding the gardens. The more helpers the merrier!

Please see Bruce or Sonya if you have any questions.

### Movie Night!

When: Saturday August 26th at 7:30pm  
Where: The Green's House @ 35 Calgaroo Ave  
What: Great interesting thought provoking movies and great conversation.

Last days in the Desert, starring Ewan McGregor, is a reimagining of Christ's 40 days in the desert where he stumbled upon a struggling family and stays to help, but the devil questions his motives.
