If you would like to help in some way other than filling a shoe box, here are some suggestions ...

1. Can you sew, knit or crochet? See me about patterns for items that are great for inclusion in Shoe Boxes. If you need some wool, I can arrange that for you.
2. Can you purchase some balls of wool to give to someone that is able to crochet or knit for Operation Christmas Child or do you have unused wool at home you could donate?
3. Do you have material offcuts at home that can be used for bags or skirts?
4. Are you able to sew bags or skirts.
5. Are you able to cut pattern pieces ready for someone else to assemble.
6. Are you involved in a group through which you can promote Operation Christmas Child and distribute shoe boxes?
7. Can you contribute a few dollars towards the cost of shipping shoe boxes to their destination?

Any way you are able help is greatly appreciated

I encourage you to be thinking that we can be preparing for OCC all year round, so don't think it's too late to start sewing, knitting or crocheting now!
