Previous week's notes and bible passages

Hebrews series week one - 29th July - Hebrews ch1 v1-4

Hebrew Introduction

Main idea: While we are unsure of who the Author of this letter is and to whom it was addressed, we do that it has something to say to us. Have Hope.

Footnote: <https://bible.org/article/introduction-book-hebrews>

Hebrews series week two – 5th August - Hebrews ch1

Jesus better than Angels

Main idea: The Author wrote that Jesus is better than Angels. Why? Well in the Old Testament Angels are seen as messengers, who bring a message from God. And Angels are seen likewise in the New Testament. And like the Angels and like the prophets Jesus brings to us a message from God. A message that we have been waiting for, and a message that we need to listen to.

Hebrews series week two – 12th August - Hebrews ch2

Jesus fully man

Main idea: That Jesus being higher than angels and fully man makes him the perfect facilitator to restore us to God.

Please continue to join with us as we pray for rain. Prayer for rain in a drought:

Dear Lord, as you know we are facing a severe drought and we plead with You to open the heavens and send rain on this dry and thirsty land. Lord we know that You are the one that sends the rain and You are the one that can withhold the rain, but we pray that You would look down in pity on our waterless land and send the rain to water the land, reviving the land and the people.

Lord we do not deserve Your grace and mercy, for we have not loved and served You as we should – but You are long-suffering and of great goodness and You would send rivers of water over the vegetation and fill up the water-hold and well – for the earth is parched and we do not know what to do.

Lord for Your Holy Names sake we ask that You would send the rains in this land soon, for we have no hope but You – for You have promised to give rain upon the earth and send water on the fields. You have promised that the seasons will not fail and that the harvest will continue to provide their bounty – but without the life-giving water, we are going to have to face very severe consequences. In Your mercy send us rain in the dry and dusty land, we pray in Jesus name. Amen
